The following paper was read by the Clerk:

To the Mayor and Council of the City of Wheeling:

GENTLIMEN — Your memorialist, a taxpayer, having recently, in the performance of some of his duties as an attorney, become acquainted with certain irregularities and official wrongs of Mr. George Q. Black, the City Collector, which, in the opinion of your memorialist, show the said Black's entire unfitness to hold any office of public trust, and which indicate with a strong degree of probability that both the city of Wheeling and the citizens are sufferers at his hands, respectfully ask for a prompt and thorough investigation into the ficancia affairs of the city, and that the said City Collector be with all proper speed removed from office.

Many of the facts with reference to the water taxes of Smith & Co. are doubtless already so well known to the members of your honorable body that it is unnecessary for me to repeat them in this communication. Yet I shall, as briefly as I can, place such of the prominent facts in order before you as most strongly tend to convince my mind of guilt on the part of the Collector.

After the Collector had made a levy to satisfy a water tax of \$275 against Smith & Co. for the year 1877, and before it was discovered that the lawful assessment was the content of the collector.

The report of the Market Master for the months of February and March was received, read and ordered filed.

A motion to reconsider the 3d resolution of the report of the Committee on Streets Alleys and Grades in relation to the curbing purchased from Cavanaugh, was adopted, and the action of the Second Branch in relation thereto was non-concurred in.

The charges against George Q. Black, of City Collector, were received from the Second Branch, and the action of said Branch in referring the matter to a special joint committee for investigation of said charges, was concurred in and the Mayor appointed Messra. Brice, Carnahan and Hoge to act on said committee.
